6. [ ] LIAISON Called Tom Moore, Senate Select Committee on Intelligence staff, in response to his question of last week regarding information provided the Committee on an Agency air proprietary. I provided him this information but he then asked additional questions for which he wanted a written response.

7. [ ] LIAISON Called Sally Watanabe, personal secretary to Chairman Daniel K. Inouye (D., Hawaii), Senate Select Committee on Intelligence, and confirmed the Chairman's meeting with Admiral Stansfield Turner on 27 April at 10:00 a.m.

10. [ ] LIAISON Apropos the questions which the Senate Select Committee on Intelligence put to Admiral Turner, in Chairman Inouye's letter of 28 February, and the DCI's answers, I followed up on [ ] conversation of last week with Rick Inderfurth, National Security Council, by calling Inderfurth to advise that the completed questions and answers were on their way to him for National Security Council inspection. I noted that we hoped to have the answers on their way to the Senate Select Committee on Intelligence by the end of this week.
